One Nation Under God” PRAYERS FOR UKRAINE

Pray for an end to the division in our Nation and for the wisdom for our leaders as they unite our nation.

Spot light!!

Welcome to Team Trinity, the newest expression of Trinity United Methodist Church.

We have begun our collective journey to seek fellowship and serve our community outside the walls of our church. Christ called each of us to be together in the spirit, simply living life together: "For where two or three gather in my name, there am I with them." In this collective spirit, we focus on building closer relationships with one another and with Christ.

Our first fellowship event at the Pennsville Custard Stand included brave souls who endured the 90-degree weather. At the heart of our gathering was the focus on getting to know one another, sharing stories about our childhoods, defending our favorite custard flavors, and ogling a classic car which happened to be parked nearby. Team Trinity's goal for these events is that we can come together as a church body, grow closer to one another, and to strengthen the support network that we each have through our brothers and sisters in Christ. It is through these relationships that we will reach our community. As 1 John states: "We proclaim to you that we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ."

Team Trinity is also a servant of our community. Not only are we in this community, we are of this community. As Mark states: "For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many." In just this way, we at Trinity must have a heart focused on service. The need is great, and our blessings are many. What better way to express our gratefulness for Jesus's sacrifice than to give of our own talents in places of need within our community? As this community starts to see a vibrant and servant-based congregation, they too will respond. For the peace and love that is shared amongst believers is a unique thing in our world and it incites curiosity in those who see it. This creates our chance to spread God's love where it is needed through witness and service.

Therefore, I invite you to join Team Trinity in our endeavor to grow our collective spirit through fellowship and service and to have a whole lot of fun along the way. See you at the next event. Until then, may God's peace and love go with you in all that you do for his glory.
Andrew
